

Special Valentine's Play Day!

The Campbell River Pickleball Association invites eight couples (per session) to become the Valentine's couple of the Pickleball court!

This will be a fun, friendly and lightly competitive event allowing couples from our association to play together against other couples of our association.

Please note: A couple is defined as two people who are married, engaged, or otherwise closely associated romantically. Sorry, but two best friends cannot play together on this special event.
